THREE SECURE  
FINAL PAPERS OF  
CITIZENSHIPEXAMINATION FOR NATURALIZATION HELD YESTERDAY  
AT COURT HOUSE.

John H. Richardson, United States naturalization examiner for the department of commerce and labor, examined three applicants for final papers at the court house yesterday and granted the same to Thomas Lindsay, Melville Hamilton, and Michael Dan McLean. Three other applications were continued over until the next hearing.

Mr. Richardson has been in Tonopah for several days preparing for the hearings and will probably remain a few days longer as there is a great deal of work connected with the examination of the different applicants. In September about thirty applications for final papers will come up for hearing and it is possible that Mr. Richardson will also be on hand to conduct the examination.

## FORMER COUNTY COMMISSIONER PASSES AWAY AT ROUND MOUNTAIN.

Peter Rice, one of the pioneers of Nye county died at Round Mountain on June 17, and the body was buried at Belmont beside the remains of his wife. The deceased was well known throughout southern Nevada and about six years ago was one of the county commissioners.

During the last few years he made his home with his daughter, Mrs. A. H. Anderson, of Round Mountain, who is the only surviving relative.

Mr. Rice was aged 78 years and was a native of Newry, Armagh county, Ireland, and was one of the first settlers in Belmont.

During his life he was esteemed for his honesty in all his dealings with his fellow men. He always took an active part in the upbuilding of Nye county and his many good deeds will live after him. A good man has gone to his reward. Peace to his ashes.

EACH TICKETBUTLER THEATRE WILL GIVE  
FREE VOTES FOR GODDESS CONTEST.

A good program was very much enjoyed by a large crowd at the Butler theater last night. Baby Miller made her re-appearance at this popular place of amusement and was one of the big features of the evening, and she had to respond to many encores. No doubt but that this little artist is one of the cleverest little performers that have appeared before the show-going public in Tonopah.

Commencing at today's matinee there will be another entire change of pictures and specialties. The following will be the program for today: "The Daughter's Choice," drama; "The Storm," scenic; "Chivalrous Stranger," drama; and a big feature comedy entitled "The Cowboy Girls." This program will be on for this day and evening only. The management announces that they will give away one vote with each ticket purchased, entitling the holder to vote for their favorite in the Goddess of Liberty contest on the Fourth of July.

NEVADA BOYS  
HAVE PURCHASED  
CENTRAL MARKETHARRY STIMLER AND AL VINCENT ENGAGE IN A NEW  
ENTERPRISE.

The Central meat market, which was opened several months ago by H. McNamara, has changed hands and in the future will be conducted by Harry Stimler and Al Vincent. All the meats handled will be slaughtered in Tonopah. The firm raises its own stock on the Big Pine Creek ranch and only last week received a bunch of cattle. A fine cold storage plant is operated in connection with the market.

Mr. Vincent, who will manage the market, is an experienced butcher and has a large number of friends here. There is no doubt of the success of the venture and a good trade will result in a very short time.

## MAY GET RICKEY.

It is understood that an effort will be made to have T. B. Rickey brought to Carson to testify in the State Bank case which is now occupying the attention of the district court at that place. It is probable that this will prove to be a hard job unless a warrant can be secured on some criminal charge to bring him out of California into Nevada.

## CARD OF THANKS.

I desire to thank my many friends for the many courtesies extended during my recent bereavement and assure all who so kindly aided in the hour of sorrow that the acts will never be forgotten.

ARE HAULING  
MILL MACHINERY  
TO LIBERTY MINENEW MILL IN LIBERTY DISTRICT WILL SOON BE  
CRUSHING ORE.

Before many months have passed there will be a mill grinding away at Liberty for the machinery, that was ordered some time ago, is now being hauled from Millers siding to the site on the ground of the Tonopah Liberty Mining company. The machinery, which weighs about 250 tons, is being hauled by the Wittenberg Warehouse company.

General Manager T. S. Carnahan, who was in town yesterday stated that a force of men would be employed as soon as the plant arrives, and the work of constructing the mill would be rushed to completion. The condition of the mine at the present time justifies the erection of the mill, for the development work of late has opened up several good bodies of ore.
